what your friendship means
to me. I think that we've learned
a lot about ourselves from
each other. Well guess what we're
Seniors next year is going to
be fun. We're gonna have
a great time this summer.
SO - Love
Billie

PROUDLY PRESENTS . . .

The image features a full-page background of a black and white optical illusion pattern. The pattern consists of interlocking diamond shapes that create a 3D effect of receding and protruding planes. The diamonds are arranged in a grid-like fashion, but the perspective shifts as the viewer's angle changes, making some diamonds appear to float above or sink below the others. The overall effect is a dynamic, almost vibrating visual experience.

DEDICATED TO THE CLASS OF 1970. . .

WHO WILL ALWAYS REMEMBER THE CHALLENGES
PRODUCED BY THE UNEQUALED DIMENSIONS OF THEIR TIME
AT SACRAMENTO SENIOR HIGH,
AND THE UPSURGE OF A NEW DECADE.

ANDREW

In a comparatively short time, the warmth and friendship that I have enjoyed here at Sac High have indeed made me feel a permanent resident rather than a passing guest. Meeting and living with such wonderful people as my host family, the Wylies, and others like them, has given me a greater awareness and appreciation of people in general. I thank, most sincerely, everyone concerned for their generosity and kindness.

MR. HAROLD KIMBALL

We, the staff of the 1970 REVIEW, wish to honor Sacramento High's former counselor Mr. Harold Kimball and former teacher Mr. George Barth, both of whom retired in June of 1969. We honor these men for their many dedicated years of service in the public school system.

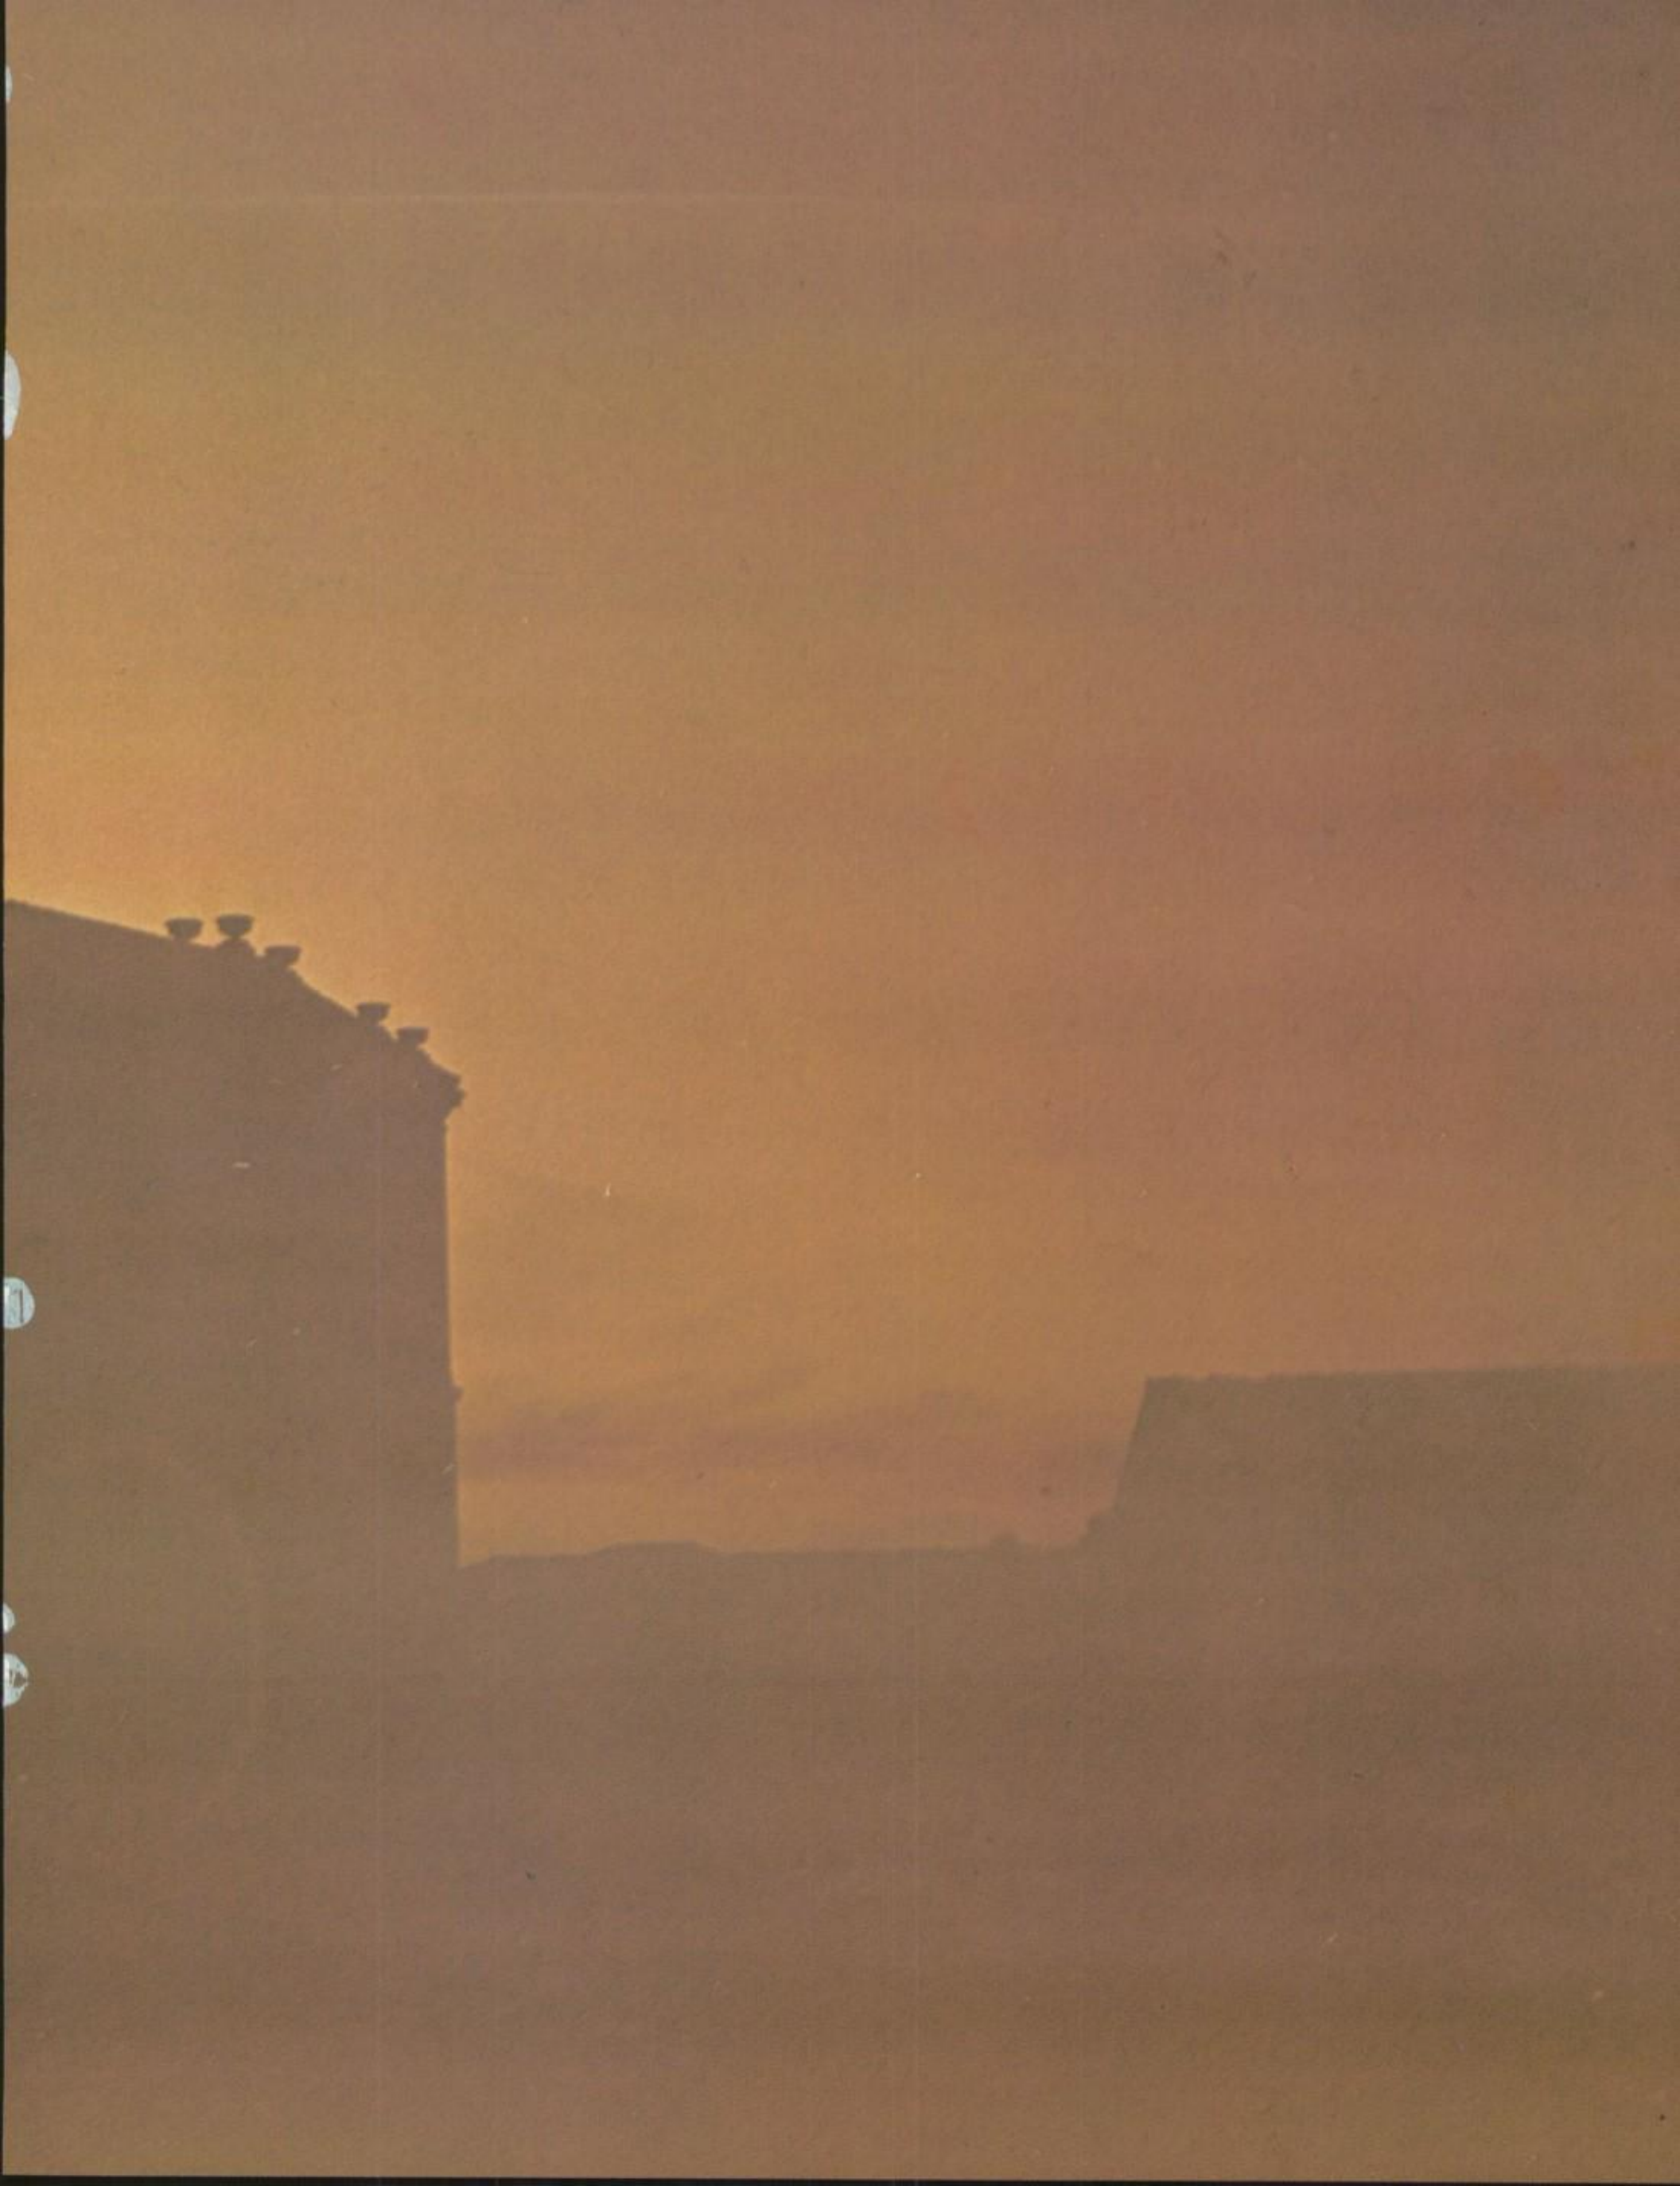

Mr. Kimball was graduated from the College of the Pacific. In the fall of 1929 he began teaching as an English instructor at Sacramento High and rose to the position of counselor. In his years at Sacramento High he was co-sponsor for the class of 1932 as well as participating in the sponsorship of the California Scholarship Federation.

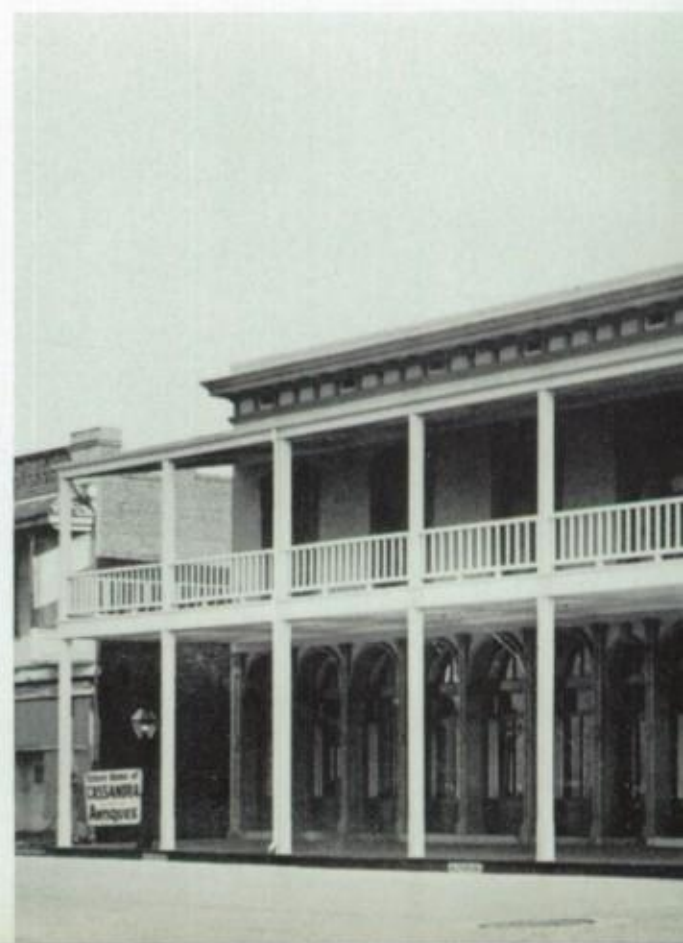

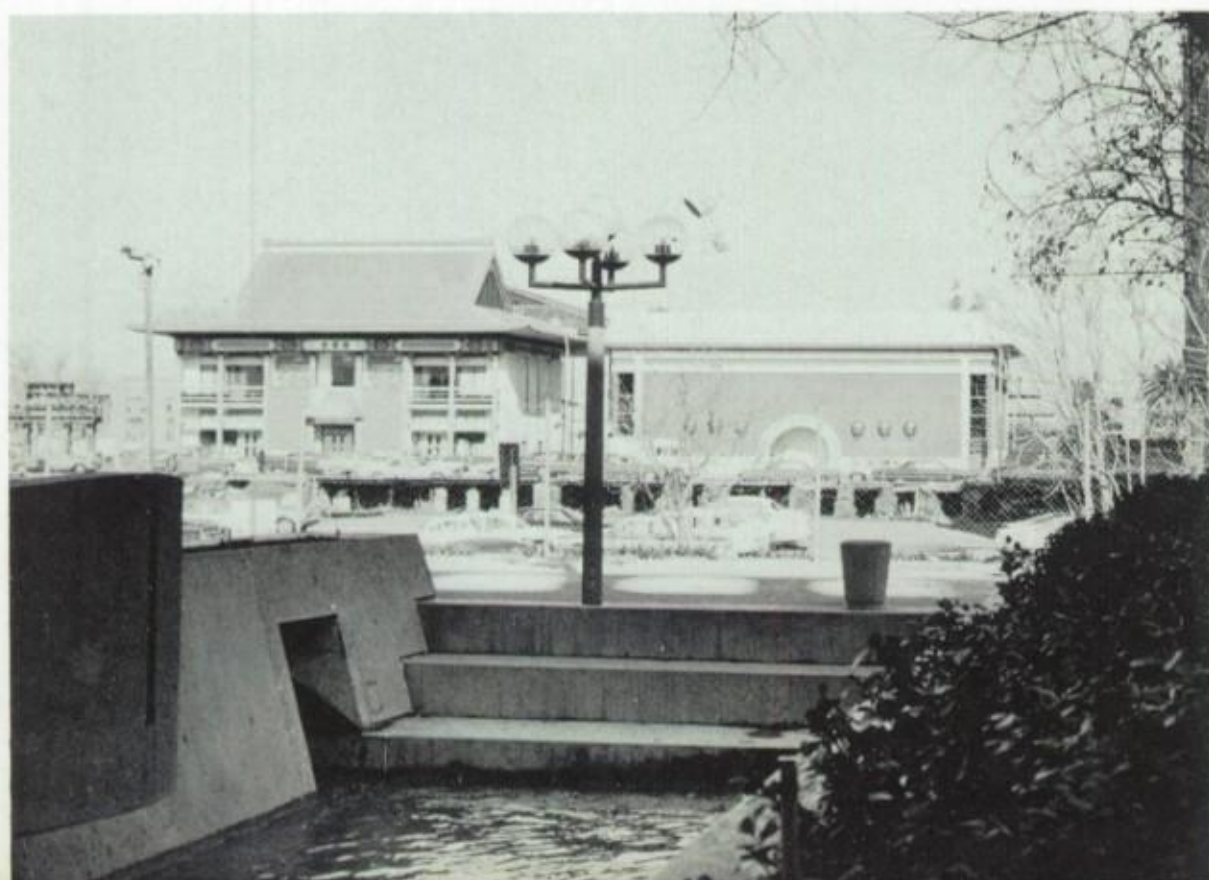

MR. GEORGE BARTH

Mr. Barth received his A.B. from U.C. at Santa Barbara and his M.S. from Oregon State University at Corvallis. In 1936 he began his teaching career at the Black Fox Military Institute and went to Santa Ana in 1937. He began teaching industrial arts at Sacramento High in 1947.

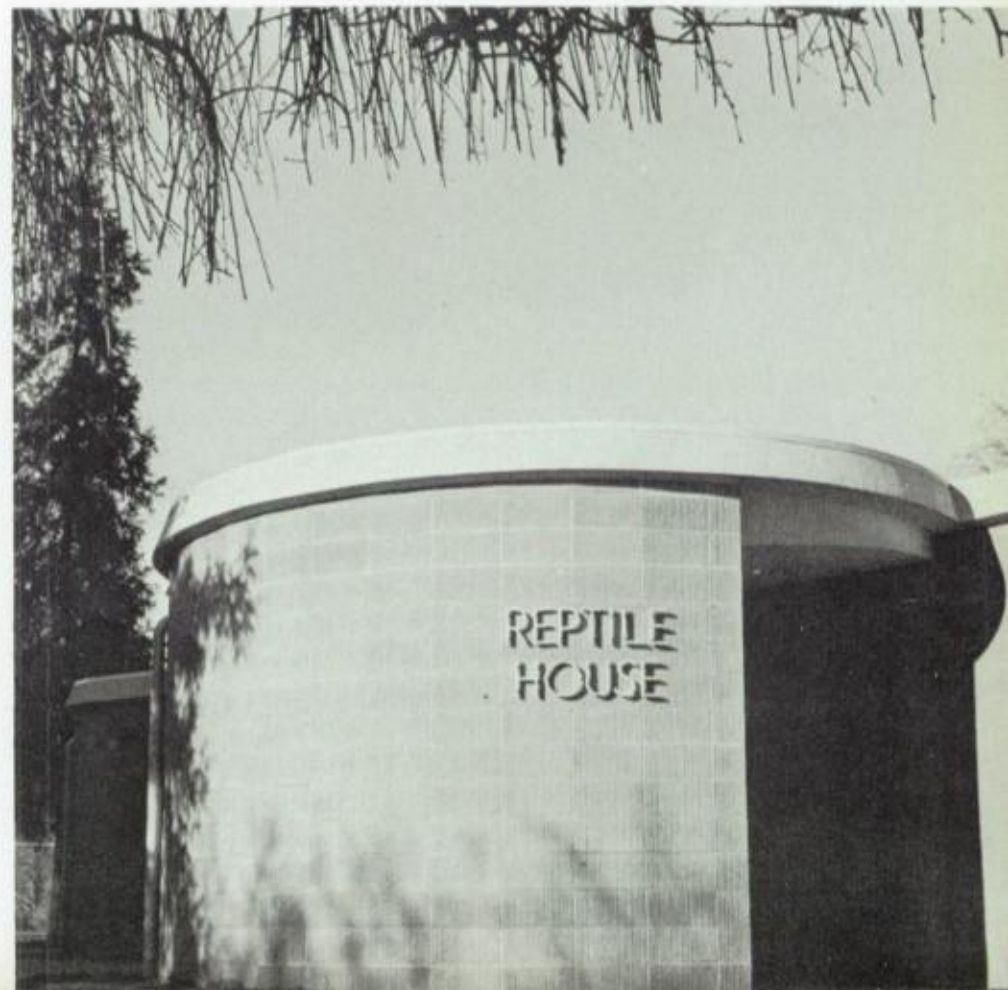

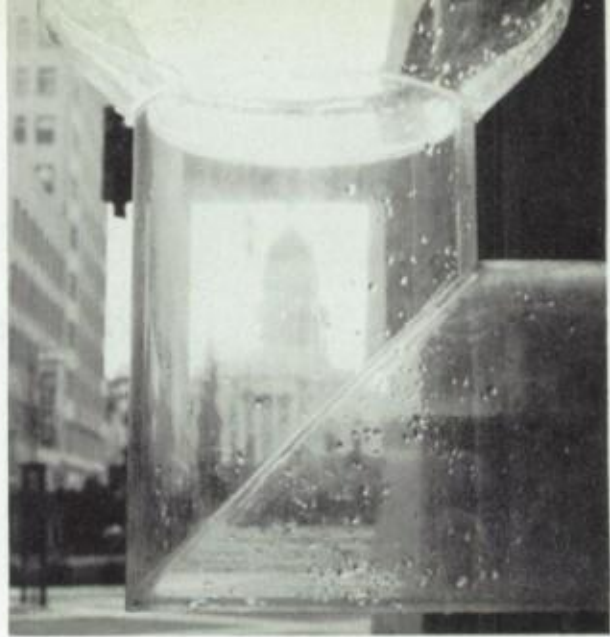

NEW

DIMENSIONS 1970

WE, HAVE COMPOSED THIS YEARBOOK FOR YOU
AS A REMEMBRANCE OF THE CHALLENGES YOU
HAVE MET AND THE NEW DIMENSIONS YOU HAVE
PASSED THROUGH IN THE LAST YEAR. WE HAVE
TRIED TO PRESENT AN OVER- ALL VIEW OF THE
LIFE ON OUR CAMPUS FOR THE YEAR 1969-1970 .

THE THEME "DIMENSIONS '70" SUGGESTS THE
CHANGES IN HISTORY THAT HAVE AFFECTED YOU
IN THE FORMULATION OF YOUR GOALS AND THAT HAVE
PROVIDED YOU WITH A NEW AND ENLIGHTENED
UNDERSTANDING OF THE FUTURE.

TO THE 1970 GRADUATES

The staff of Sacramento Senior High School congratulates you on your achievements during the last three years. You have grown in your ability to assume responsibility and to work together. You have contributed much to the growth and improvement of our school and can be extremely proud of your accomplishments.

Our theme for the year has been "Mission Possible." What has been accomplished was through the tremendous efforts of students, staff, and community striving together to make SAC "Number One". Thank you for a great year. May you have a happy future being responsible as citizens, successful in your chosen vocation, and happy in your personal lives. Accept your challenge to shape the future of your community. We are certain that you will return with interest the investment your community has made in you.

Our thanks and congratulations to those who have contributed so much to make this "Review" a fine record of our 1969-70 school year.

Underrated from beginning to end of the '69 football season, the Metropolitan League Champions have proven who is the best team. The Dragons finished with an 8:2 record, suffering two pre-season losses. Although No. 1, the Dragon's defensive unit was rated No. 2.

Five Dragon's were selected as all-city players. They were: Tee Parker, Doug Wylie, Jerry Royster, Liddel Thompson, and Steve Cippa.

Congratulations '69 Champs!!!

*Most Valuable Player
Jerry Royster*

You dance divinely!

Gimme that!

With much potential, but little team effort, the Dragon sophomores managed to win and tie only four games. However, Coach Jerry Lee did lead his team in setting a new Dragon sophomore scoring record, 58 points. Congratulations to the sophomores most valuable player, Wayne Williams and to the most outstanding player Danny Royster. Good luck future varsity players!

At the end of the regular playing season, the Dragon Varsity found themselves in second place, in the Metro League. A strong Woodland team deprived the Dragons from a taste of the crown. However, something good did happen this season. The 1969-70 squad broke the school scoring record of 88, twice. Once against Johnson by scoring 91 points, and again against McClatchy by scoring 99 points. Six foot guard, Jerry Royster was the only Dragon to be chosen as an all-city player. Coach Wayne Minton will have to piece together a championship team for next year from the junior varsity players and the three juniors from this years varsity. Good luck Coach!

SOPHOMORE

Although averaging 6 feet 1 inch in height, this year's sophomore team finished second in the Metro standings. As usual, there were many productive players on the team, but costly mistakes hindered the team's title hopes. Defensively and offensively, Aaron Williams was a standout. Other standouts on offense were: Danny Royster, Melvin Daniels, and Tom Jones. John Bennett, Arthur Polite, and Frank Andrews also showed defensive ability.

Best of luck to mentor Bob Linck and up-coming players.

*With rue my heart is laden,
For golden friends I had,
For many a rose-lipt maiden
And many a light foot lad.*

*By brooks too broad for leaping
The light foot boys are laid;
The rose-lipt girls are sleeping
In fields where roses fade.*

We, the 1970 Review Staff of the No. 1 high school, would like to express our appreciation to the faculty, staff, and students for their cooperation in making this yearbook possible. We particularly wish to express our gratitude to Miss Muriel Hopkins, our sponsor.

Kathy,
 I'm really glad we got to know each other from Steve & Randy. We've had some really fun dates with those nuts and then... there were the fights!! But nevertheless it was really neat. Good luck with songster and Majorettes and all your work in the future. Hope to see you at "U.S.C." that would be neat

Good Luck Always,
 Claire "70"
